

Product End of Life Notification

End of Life Notification for ADAM TECH

End of life announcement in November 18, 2022

Dear Valued Adam Tech Customer:

Thank you for your support during the past years.

We apologized to inform you PN:

125SH-A-XX-TR & 125SH-A-XX-TS

Due to the small order volume, in order to meet the needs of a large number of customers, we have decided to discontinue the production PN:

125SH-A-XX-TR & 125SH-A-XX-TS

Change PN: **125SH-A-XX-TR & 125SH-A-XX-TS** to PN: **125SH-A-XX-MTR & 125SH-A-XX-MTS**, (plastic material changed from PA6T to HTN6T, terminal changed from tin to mist plated tin, This series of products, the rubber shell body, the wall thickness is very thin, and the halogen free plastic is more halogen than the original Plastic brittle, please customers in the insertion of PC board and insert the hand parts, to vertical, parallel insertion, not It can be inserted askew. If the cracks and cracks of the rubber shell are caused by human factors, our company can not be replaced New product replenishment service);

If you have any questions, please call your local Adam Tech Technical Support Center. One of our customer Service representatives will respond to your questions or direct your call to someone who can. For the number of your closest Technical Support Center, please go to: <http://www.adam-tech.com/index.php>

Thank you for your cooperation in this product transition.

We regret any inconvenience that discontinuing this product on certain platforms may cause your organization.

Our support staff is available to assist you in any way possible.

Sincerely,
Scott Sokoli
